## TOP 10 WINES IN THE UK PRESS

### 2012 Dolcetto d'Alba 'Monte Aribaldo', Marchesi di Gresy

Hamish Anderson, writing for The Telegraph, recommended “three of the best Piedmont reds”, including this Dolcetto – a “generally simple, affordable quaffing red”.

“From one of the region’s finest producers, this has all the alluring dark, sweet fruit (plum and blueberry) of the very best, plus an extra dimension of spicy complexity. Served cool, this is a gorgeous glass of summer red”, said Anderson.
